Minutes approved as stand motion Supervisor Shultz 2nd by Supervisor DeRocker. Motion carried.

Citizen input- none

Voting machine Janyl presented info we can use our edge machines thru 2022. As long as we have ability for disability assistance. We will keep our machines till 2022. And have paper ballot available.

Door and sidewalk covering – call architect for design

Snowplowing- Brenin Stevens not available for 3 to 4 weeks to plow. Jeremy said county will cover Grantsburg but they are short personnel.

Snow shoveling- village will do sidewalks

TRIP-S: Jeremy Burton joint project on Ferry Rd from Soderbeck to top of landing. West Marshland cannot apply for whole grant because Town of Grantsburg is responsible for a section of the road as well. Board agrees to joint project.

48:01 Town water board, oversee a study of ground water quality and ground water in reference to the DNR retention of water in the Glacial Lakes' wild life area to Fish Lake and Crex Meadows. No test wells in fish lake area yet. Establish 5 test wells. 5 person board – Advertise to see who may want to be on the board. Motion by Supervisor Shultz to form a 5 person water board for study of water quality and water levels. 2nd Supervisor DeRocker. It was mentioned that James Yaak has taken over DNR management of crex area. Motion carried. **59:25** Motion by Supervisor DeRocker to get 4 sand point test sites/wells going before freeze up. 2nd Supervisor Shultz. Motion Carried. DeRocker to be on board. Post around town and post on website. Contact land owners who we are considering putting a test well on.

Fish lake road project – Jeremy will contact Washburn for grinding of road still this year. 1st mile after new asphalt on fish lake. Motion by Chairman Curtin 2nd DeRocker. Motion carried.

ARPA- \$5315.00 to pay election workers a bonus for hazardous pay. Motion Chairman Curtin 2nd Shultz. Motion Carried.

1:17:00 mn Road updates – Tennessee/Soderbeck project re-allocated for stretch of near Soderbeck landing.

1:25 Per Mike Hoefs, Branstad sign cannot be placed in road right away and would be frowned upon & the state Hwy department will remove them. They can be placed on our own. Also discussed was placing Town of Grantsburg signs leaving the village and one on 48 and one going west.

Zoning for campers – with small lots and campers. Scott will get info from Rock Creek about vehicles and campers.

.gov email --- Dana will look into

Driveway permit - Floyd Drohman 2nd driveway approved. 2 driveways to inspect off Borg and Borg and Borg and Grell.

Town of Grantsburg Burnett County – Wisconsin

Monday, November 8, 2021 Monthly Town Meeting

Town Chair Updates:

10/21/2021 0743 Ulna Doornick called that a school bus driver reported a tree down on Lang Road near intersection with Assembly Road. Driver could not get around the down tree. Lee Moyer called 0747. Tree was removed shortly afterward

10/25/2021 Town Clerk called to say there was a report of a box spring and mattress on Fish Lake Road at the Meadows. Investigated. Lee Moyer called and asked to remove the box spring and mattress. He later reported a headboard, foot board and side boards were under the mattress

Brush cleared and tall grass removed from in front of Directional Road Sign on Skog Road at Russell Road and the Stop Sign on Russell Road at Skog Road

Lee Moyer was asked to place gravel on two DNR access drives to Fish Lake Road to protect asphalt during logging operations in the Fish Lake Wildlife Area

Lee Moyer added gravel to several places along Fish Lake Road's south road shoulder.

Three Year Road Plan completed and submitted to Mike Hoefs

2022 LRIP Proposal for Ferry Road completed and submitted to Mike Hoefs

2022-2024 Trip-S Proposal for 3.8 miles of Fish Lake Road completed and submitted to Mike Hoefs

Both Proposals may be Revised prior to submission to State in January.

Approved Driveway permit and final inspection completed on Hoffman Road for Floyd Drohman

Craig Selander has been contacted for design for covered entry shelters for sidewalks at West entry of the Grantsburg Town Hall.

Negotiations are on with Mike Hoefs, Burnett County Highway Department Commissioner, for snowplowing, salt and sanding in the Town of Grantsburg over the 2021-2022 season. The Highway Department is expecting a manpower issue. Leasing or renting plow and salt truck as well as grader has been discussed. Town would be required to hire a driver. Town may have to consider renting, leasing or buying Plow Truck

Jensen Sundquist has been contacted in reference to liability insurance to cover County Highway equipment and hired driver

Spoke with Felecia Kelenvang Burnett County Highway Department: Today 11/08/2021 - Mike Hoefs will support the Town of Grantsburg if we have measurable snow or icy road conditions this Friday and/or through the weekend as we continue to negotiate snow removal for the 2021-2022 season

Spoke with Brenin Stevens: Today 11/08/2021 - His employer has work for him for the next three to four weeks - stated he would like to be considered to drive snowplow for this snow season for the 2021-2022 season

Tim Curtin Town of Grantsburg Chairperson (715) 222-4762 11/08/2021
