Paul Moyer violation 30-171 refer back to 30-116 ordinances salvage yard – hard to find the ordinance on county website. Paul read ordinance it is very vague. See attached. Tim has a different ordinance same name. Violation does not say the resolution of what needs to be cleaned up. Paul is requesting Possibility of re-writing ordinances to be more specific. Ordinance states the hours that both parties must be available are 8 am to 8 pm. Per Ramona Moody County zoning reviews their own ordinance and then goes to committee and then full county board.

Zoning update – revisit next month see above

Camper zoning – the Land Use Committee approved changes to the Burnett County code of ordinance for Chapters 30 & 45 to remove campgrounds in the RR3 zoning district, limit 5 camper units per acre and set a cap of 150 camper units per campground. This will now go before the county board on April 19th.

Call WTA regarding how to take back Zoning to town level.

MOU – Janyl called WEC to take back our voting responsibly from county; duties added. To terminate contract with county have steps that must be followed. Janyl & Toni to gather info.

Voting Machine clarification contacted Election official Roberts – asked him how many apparatuses are needed per voter. We can use paper ballots and must have one machine to meet HAVA compliance.
